- We offer to your child a unique secure loving and fun filled eco-friendly environment with experiences opportunities and activities to help him/her to learn and develop into unique personalities.
- Our Teaching is integrated teaching approach well designed Curriculum to cover all essential learning areas.
- We truly understand that in order to excel in smart way students need smart learning techniques. So we have brought a rich environment of computer and smart classes aided platform.
- Language development enhances the scope of development that is based upon structural planning of listening, Speaking, Reading and Writing. Both Interpersonal and Intrapersonal development is based on effective environment for communication.
- The idea of this Academy was dreamt by Colonel Ranbir Singh Yadav to provide quality **Education, Sports & Career**, guidance to the present & future generations. It stands apart as perhaps the only example of a progressive platform in the area that offers '**learning by doing**'.
Colonel's Academy is run under the aigies of '**Magni Educational and welfare Society**'.

Vision & Mission

We at Colonel's Academy stand committed for the Centre of Excellence in Education-Sports-Career. So we have a beftted motto 'Discover yourself'.

- **Our vision is to nurture higher order of cognitive and interpersonal skills by creating a system where learning is defined by inherent desire of a child to learn. Inspired by the philosophy of love joy and faith.**
- **Our institution empower individuals to manage change effectively to grow and realize their full potential in a global competitive world.**
- **We Aim, Act and Achieve. The band width of that goes beyond academics and extend to achieving holistic growth on the sports fields, in debate halls, education conferences, community service, performing arts, appreciating culture and most importantly, becoming individuals of service, conscience and high emotional quotient (EQ).**
- **It is our endeavour to strive towards excellence and to provide a platform where student imbibe universal values, acquire habits of curosity, self-discipline, creativity and attain skills and attitudes for life in a rapidly changing world and to enable, encourage and endow every student to initiate life time learning.**

Our pearls of wisdom are 'One day life will flash in front of your eyes-----make it worth watching: Each day's little life and good thoughts lead to meaningful actions. May God bless us all with wisdom and strength to carry the Mashal to accomplish the mission.

EQ (Emotional Quotient) coupled with IQ

- This is a age of EQ coupled with IQ as artificial intelligence can be programmed into machine but realistically, people skills empathy are still the monopolistic territory of humans.
- There are three predominant learning styles visual, auditory and kinesthetic.
- We give ample moments to students to explore each of these learning style in details.

Visual Learner

I learn the best when I look at a picture, videos and moving images, It makes me focus.

Auditory learner

I Understands concept through activities by doing them myself.

We Develop

- Parent - Teacher - Student synergy program.
- Studies & life skills development are core of our knowledge platform.

Kinesthetic learner

I need to listen to explanation and study music playing in background.

STUDY STRATEGY

Our Curriculum uses modern Technology based teaching methodology.

Centre of Excellence Includes :

- Ethical and traditional moral value based teaching.
- Scholastic & Co-scholastic Life skills integrated curriculum.
- Communication skills are of utmost importance.
- Curricular & Extra Co-curricular activities.
- Child centric approach to develop confident personalities.
- Career & result oriented Stratigical approach.
- Sports practices at all levels & for all age groups.

"Learning is not the product of teaching. Learning is the product of the activity of learners".

Games & Sports

Games and sports form an integrated part of education and a great deal of emphasis is laid on the aspect opportunities are given to the children of all age groups to develop an all new personality and proficiency in games and sports besides dedication to achieve objectives and develop a temperament for treating success and failure alike. Student can participate in one or more games of the choice out of Kho-kho, Kabbadi, chess, table tennis, Badminton, volleyball, Lawn tennis, Basketball, skating, Marshall arts, cricket, Hockey, Football, shooting, Athletics etc. and other fun games for learning.

Journey with a difference

Quite apart from all this the Academy offers the best value for money. It stands out in terms of quality education, sports facilities & infrastructure. It has students teacher ratio 1:20. In the NCR it is the only Academy with difference, pollution free eco-zone & has lush green plantation. Spacious & brightly lit customized classrooms, computer lab, well stocked library, multiple play areas & clean hygienic surroundings and toilets are the hallmark of this academy.
